Unit 1—Always Learn

- Children should learn to get in to the habit of continuous learning in their early life. This lesson focuses on the importance of Intelligence.
- In the lesson "Five detectives" we learn how the five children used their intelligence to solve a mystery.
- The poem "Why" insists and shows children that being curious about the world around them and helps improve their intelligence.
- The story "The Witty Sparrow" tells about intelligent woman sparrow protects its home and life.

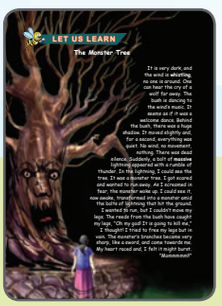

Unit 2—We are one

- Children should learn to everyone equally. This unit is built on the concept of humanity
- The lesson 'The Cracked coffee cup' focuses on treating all the people equally.
- The poem 'The dreamer' dreams of an unified world.
- The story 'The new start' tells about the boy Tenzin reflection when he is forced to move to a new country.

Unit 3—My duties

- Children should learn to take care of public goods around them.
- The story 'The monster tree' tells about how people affect the environment they live in
- The poem 'Social responsibility' shows children and the simple activity that they can do to care for public places.
- The story 'The case of missing water' follows Divya and search for water in our village.

Learning outcomes

- It is a moment of pride for children as they colour the balloons.
- This self-assessment tool helps boost their self -confidence.
- It is also a diagnostic page for the teacher to ensure that each student has attained the expected learning outcome in each unit.

Lets use the QR code in the textbook ! How?

- Download the QR code scanner from the Google PlayStore/ Apple App Store into your smartphone.
- Open the QR code scanner application.
- Once the scanner button in the application is clicked, camera opens and then bring it closer to the QR code in the text book.
- Once the camera detects the QR code, a url appears in the screen. Click the url and go to the content page.
