

LET US SING

8JWSL6

Why is the sky blue?
Why is the earth round?
Why is silk soft?
Why is fire hot?
Think! Why is it so?

Why does the river flow?
Why does the wind blow?
Why does the sun shine?
Why does the rain pour?
Think! Why is it so?

Let us seek,
With questions all week,
As we grow,
With answers to know,
Think!
