

LET US KNOW

KGIMB2

Let us learn the describing words.

He rides his bicycle carefully.

He rides his bicycle carelessly.

The above sentences tell about how he rides his bicycle. Such words that describe an action or verb are called adverbs.

An adverb describes a verb and tells how, when, where and how often.

How

She walks slowly.
How does she walk?_____

When

He joined the duty yesterday.
When did he join his duty?_____

Where

He looked everywhere.
Where did he look?_____

How often

He ate biscuits twice a day.
How often did he eat?_____
