

LET US READ ALOUD

Read the passage 3 times and colour the dove for each time.

A leader and his followers went to Ooty. They shared stories to forget thigh pain from their tired legs. They decided to take some rest. When they were crossing a river, the leader saw a poisonous scorpion floating in the river. It was going die in the water. The leader wanted to save it but it bit him. Seeing this, the followers asked him the reason of why he tried helping it even if it bite him. The leader said that helping others is the nature of human and biting is the nature of the insect.

1. Where were they going?
2. What did the leader see on the river?
3. What is main idea of the text?
