Let us see artistic chains with different coloured beads.

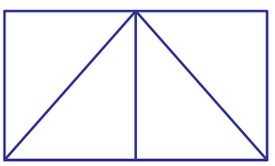

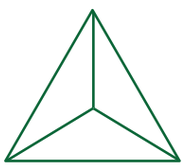

Try this

How many squares are there?

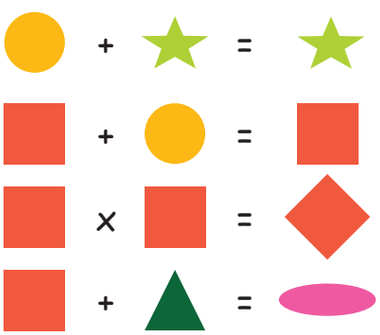

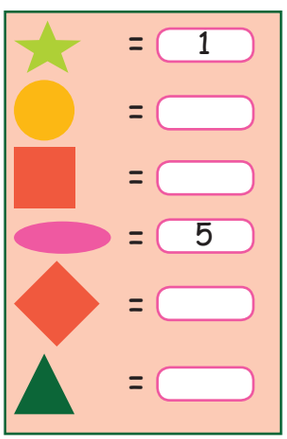

Activity

Figures			
Number of Triangles	12		
Number of Squares	6		

Activity

The following shapes are drawn instead of numbers 0, 1, 2, 3, 4, 5. Shall we find the number of each shapes.

Let us know

In our street,

There are two times Cats of Dogs

D = Dog C - Cat

Answer: D = 2C.
