- Twenty-five percent reservation is given to the economically Underprivileged people in all private schools.
- Improvement in the quality of education.
- School infrastructure should be improved every three years.
- Finances will be shared between the state and the central government.

National Education Policy (NEP)

In 2019, the Government of India has framed the **National Education Policy (NEP)** to promote education among the people of India. The NPE covers all educational systems from primary to college level.

The first **National Education Policy** was implemented in 1968 followed by the second one in 1986.

Child labour is not allowed in our country. All children are entitled to have free and compulsory education.
